### YOUR VIEW....

Do you agree that the Avenues should be considered as an entity when the LEA is drawing up catchment areas? We have objected to the boundary line dividing our community along Salisbury Street and would welcome letters of support to the Director of Education at Essex House or to the Wyke Area Co-ordinator, 165 Newland Avenue.

Contact us in the usual way to share your views.

### AVENUES ONLINE

The Avenues ONLINE Website has notched up over 1100 hits since June 1998. We would like to thank all those of you who have supported this online venture, making it a great success. If you haven't yet visited the site, the address is given below.

### MERRY CHRISTMAS!

*Finally the editor and his elf would like to wish you all a very Merry Christmas and a prosperous New Year.*

### *From the Chairman....*

Thanks to our audacious artists and our Ward Councillors, the Park Avenue fountain will rise again in the New Year—and there may even be money enough for fountains in the remaining two avenues. The fountain-for-a-day—three crowns with appropriate reproaches—was a brilliant idea and so elegantly designed and well-constructed; it's now in storage against its next public role.

At last, "Jack Kaye Walk" is official, through the offices of our Ward Forum.

The Committee has been receiving a number of anxious enquiries about roof developments of Salisbury Street houses, despite their restrictive covenants. As these are thought to be in the owners' deeds—and therefore not enforceable in planning law—we are once again going to ask for "Article 4" powers (limiting features out of keeping with the conservation area) to be taken out for the Avenues.

## CHRISTMAS TREE

Due to the efforts of Committee member Harry Atkinson and the helpful staff at the area Office in Newland Avenue we shall have an illuminated Christmas tree at the Park avenue fountain base this year. It should be up and lit by the 19<sup>th</sup> December – a great focal point for the New Year sing a long. Well done Harry, the Councillors and Hull City Council.

## NEW YEAR CELEBRATION

As we will have a tree at the traditional point for the new year sing a long why not come and meet old friends at midnight in Park Avenue. Last year we estimated 200 people – can we do better than that?

## CAROL SINGING

The annual carol singing event in aid of the NSPCC will be held on 21<sup>st</sup> December 6pm – 8pm start at Park Avenue fountain. It is in a good cause so please come along it is fun and a good start to Christmas.

**CranioSacral Therapy (Upledger)**  
73 Marlborough Avenue, Hull  
Tel: 01482 470380

CranioSacral Therapy is a gentle, non-invasive manipulative technique with a wide ranging potential to correct problems.

Some of the more common problems that can be helped are chronic pain, joint problems, headaches, jaw problems, neuralgia, menstrual and menopausal problems. In new-borns, infants and children, colic, hyperactivity, feeding and sleeping problems, clumsiness and learning difficulties such as dyslexia are often helped.

## SECURITY

Our area has been targeted by sneak thieves and burglars lately so be on your guard for suspicious activity. Look after older neighbours and look out for houses when people are out / away. A new Neighbourhood watch scheme soon to be set up in Westbourne Avenue.

## SUBSCRIPTIONS

Another year is nearly over and the annual subscriptions are now due. If you paid a yearly subscription last year, please remember to send your £1 to any of the committee members you know or 48 Marlborough Avenue, 66 Westbourne Avenue or 57 Westbourne Avenue. This money is the only income of the Association and helps post the numerous letters written on your behalf. This newsletter also receives a subsidy to enable 1200 copies to be produced 4 times a year to help to keep you informed.

## FRONT GARDENS & VERGES

The Avenues tend to look awful this time of year with no leaves and wet and muddy verges. These are natural occurrences but it has been noted that verges and front gardens ( mainly flats ) are tending to be left untidy for weeks. If you spot any garden that is like this that is full of rubbish you can contact the City Council refuse section to clear away household rubbish. Maybe you know the landlord / builder and can have a quiet word in order to get them to clean up regularly. It helps everyone to keep the area clean and tidy.

## WILDLIFE

Remember to look out for birds and wild animals now the berries and fruits have gone. They need food throughout the winter to survive.
